*The British-Japanese Parliamentary Group recently introduced two new events to its programme.*

## **The Cambridge Canapé and Drinks Reception**

---

The Cambridge Reception was held in the Old Hall at Queens College. The Group welcomed over 80 representatives from both businesses and cultural organisations in and around Cambridge.

Having undergone a complete interior renovation, the Old Hall at Queens' College is one of Cambridge's most magnificent dining halls. Dating back to medieval times, the Old Hall is famous for its opulent decoration by William Morris, its minstrels' gallery and historic portraits.

## **Wine Tasting and Reception**

---

With Sushi provided by Tsuru Restaurant, Mr Phil Barnett of 'Les Caves De Pyrene' introduced the Group and guests to natural wines from around the world.

As their website says, 'Every wine tells a story and that story deserves to be told.'

**THE SPEAKERS CHAIR AND TABLE IN THE HOUSE OF COMMONS**

## **Tour and Reception at the Palace of Westminster**

*Fridays evenings only*

In addition to the annual reception and lunches that the Group arranges for sponsors throughout the year, from time to time it hosts small informal receptions for between 30 and 40 people in one of the smaller dining rooms at Westminster. These events take place on selected Friday evenings, and include a canapé reception and a tour of the Palace of Westminster and the Chambers of the House of Commons and the House of Lords.

The Group offers these events as a networking opportunity to its current sponsors and companies interested in becoming sponsors. The Group undertakes to make all the arrangements, including tours. The overall cost of the event can be underwritten wholly or partially by the event sponsor, subject to numbers and by prior agreement with the Group.
